

## Technical Data Sheet

|                                   |                                  |              |                  |
|-----------------------------------|----------------------------------|--------------|------------------|
| <b>Product Name</b>               | <b>Mercury (II) Sulfate A.R.</b> |              |                  |
| <b>Product #</b>                  | <b>KS-01813</b>                  | <b>CAS #</b> | <b>7783-35-9</b> |
| For laboratory use, ACS, Ph. Eur. |                                  |              |                  |
| <b>Specifications</b>             |                                  |              |                  |
| Assay (Complexometric)            | ≥ 98.0%                          |              |                  |
| Chloride (Cl)                     | ≤ 0.003%                         |              |                  |
| Nitrate (NO <sub>3</sub> )        | ≤ 0.005%                         |              |                  |
| Iron (Fe)                         | ≤ 0.005%                         |              |                  |
| Mercury (I) (as Hg)               | ≤ 0.15%                          |              |                  |
| Residue After Reduction           | ≤ 0.02%                          |              |                  |
