

## Technical Data Sheet

|                                      |                                  |
|--------------------------------------|----------------------------------|
| Product Name                         | Potassium Hydroxide 0.1 N in IPA |
| Product #                            | KS-02269                         |
| For laboratory use, ACS, Ph. Eur.    |                                  |
| Specifications                       |                                  |
| Form                                 | Liquid                           |
| Amount of Substance<br>Concentration | 0.0995 – 0.1005mol/l             |
| Measurement Uncertainty              | +/- 0.0003mol/l                  |
| Traceability                         | NIST SRM                         |
