

## Technical Data Sheet

|                                   |                       |       |           |
|-----------------------------------|-----------------------|-------|-----------|
| Product Name                      | Sodium Bisulfate A.R. |       |           |
| Product #                         | KS-02741              | CAS # | 7681-38-1 |
| For laboratory use, ACS, Ph. Eur. |                       |       |           |
| Specifications                    |                       |       |           |
| Appearance                        | White solid           |       |           |
| Assay                             | ≥ 99.0%               |       |           |
| pH-Value (10% aq.solution)        | 2.0                   |       |           |
