

## Technical Data Sheet

|                                   |                                                     |       |            |
|-----------------------------------|-----------------------------------------------------|-------|------------|
| Product Name                      | Tetra-N- Butyl Ammonium Hydrogen Sulfate HPLC Grade |       |            |
| Product #                         | KS-02869                                            | CAS # | 32503-27-8 |
| For laboratory use, ACS, Ph. Eur. |                                                     |       |            |
| Specifications                    |                                                     |       |            |
| Appearance                        | Colorless solid                                     |       |            |
| Identity (IR)                     | Passes test                                         |       |            |
| Transmittance (at 200nm)          | >70% (0.005 mol/l)                                  |       |            |
| Transmittance (at 220nm)          | > 90% (0.005 mol/l)                                 |       |            |
| Transmittance (at 250nm)          | > 98% (0.005 mol/l)                                 |       |            |
